WHO WE ARE

Democrats for Education Reform (DFER) is a national political organization that supports elected Democrats and candidates for office who seek to expand policies and practices that work well for America's students and confront those that do not. We are education progressives who prioritize students and families, especially low-income students and students of color who should be better served by our country's public education system.

DFER partner **Education Reform Now Advocacy (ERNA)** is an advocacy group that advances education reform measures through empowering community leaders to support our legislative and political advocacy work. ERNA keeps constant pressure on legislators to champion high-quality public education.

- 2. Informing the Education Debate** — Our coalition work reflects the breadth of our policy priorities. We work collaboratively with organizations and our community networks to create an education system that is held accountable to all kids and families.
- 3. Targeted Interventions and Rapid Response** — DFER's reach from the most local district relationships to state and federal policymakers, enables us to respond quickly to the changing landscape and policy trends.
